Re: Addendum 2 to RFP 2025-01

This addendum is issued to correct the typo in a previously posted Addendum No. 1.

In Addendum No. 1 the revised deadline to submit the RFP was incorrectly labeled as February 14, 2025. **The amended due date should have been Friday, February 21, 2025.**

Proposals for RFP-2025-01 SharePoint Design and Implementation is due on Friday, February 21, 2025.
